## Delivering shared success

As a mutual company, we focus not on shareholders and stock markets, but on our policyholders and partners. We take time to get to know your business and what you need from your insurance solution.

Our underwriting involves a thorough analysis of your risks, backed by a deep understanding of your industry, while our integrated underwriting, claims and risk management offers you a creative risk-transfer solution.

## Solutions for your most complex risks

Our Aviation team offers a comprehensive range of Aviation Hull and Liability, Hull War and Excess War Liability products. Our global portfolio is underwritten from our London office.

We have provided Aviation coverage to clients worldwide since 1993, with a core focus on airline and large general aviation operations. Our highly experienced team prides itself on excellent service, industry knowledge, deep relationships and flexibility and are respected market leaders in all segments.

Class of business	Line size
Airlines – Hull and Liability	USD 132.50m
General Aviation – Hull and Liability	USD 132.50m
Aerospace, Airport & Products	USD 100m
Hull War	USD 50m
Excess Third Party War Liability	USD 100m

## Target appetite

- Airlines including flag carriers, low-cost carriers, regional operators and cargo airlines. Specialist expertise in start-up segment worldwide.
- General Aviation including complex off-shore rotor-wing, EMS, utility operations, search and rescue as well as fixed wing jet and turbo prop commercial operations.

## With you for the long term

Being a mutual means we're consistent and here for the long term. Our experienced teams are resourceful, responsive and empowered to make decisions quickly. You'll benefit from our technical underwriting capabilities, the strength of our relationships with our broker partners, and our unique approach to claims service.

Because what's good for you, is good for us.

## Continuity in a changing world

Some clients have been with us for over 20 years. Why do they stay so long? Because we have a culture of flexibility and transparency. Quite simply: we do the right thing.

Your business doesn't stand still and neither do we. We are constantly evolving our products and services, investing in people and resources, and building our global distribution network – bringing you continuity and reassurance in a changing world.

## Claims confidence

Aligned with the Liberty Claims Charter, our experienced London-based Aviation team provides you with direct access to decision-makers and global experience even in challenging environments.

Recognised as market leader, our strong technical expertise from the wider insurance industry, and the strength of our broker partnerships, ensure we are always focused on handling your claim as quickly as possible.

## Claims+

In addition to our Liberty Claims Charter and promise, we offer extra value-add services at pre-placement, post-placement, and post-loss stages. Designed to ensure your claims experience – even without a claim – is as good as we can make it.

## A sustainable future

Our purpose is to help people embrace today and confidently pursue tomorrow. To fulfil this purpose, we are committed to sustainability and careful consideration of environmental, social and governance (ESG) issues.

Insurance can be a force for good and we have a role in supporting the transition towards a low-carbon future. We are supporting Climate Transition Pathways, currently working to provide a number of benefits to companies with accredited transition plans, in addition to continued access to insurance capacity. For instance, we are exploring how to meet the challenge of the transition with longer-term and more expansive solutions.

## Unlocking opportunities

With over a century of insurance experience, we've learned a thing or two about risk. We're dedicated to developing products and solutions for our clients, whether it's a variety of specialist coverages, a customised wording, or guidance on emerging exposures.

Talk to us about the trends we're seeing in your industry, and the products we offer to help protect your business:

- Aviation Hull and Liability
- Hull War
- Excess War Liability
- Cyber
